All-inclusive offering at Hamilton Princess & Beach Club

Hamilton Princess & Beach Club is offering guests an exciting, all-inclusive dining package during their visit to Bermuda.

Unlike many all-inclusive resort options, the all-inclusive option offers truly unlimited dining during your stay: breakfast, lunch, afternoon tea, snacks and dinner are wide open to you.

Your dining options

The only celebrity restaurant in Bermuda, [Marcus'](#), helmed by Marcus Samuelsson of Red Rooster fame, specialises in locally sourced ingredients served with a soul food twist. The restaurant offers near panoramic views over Hamilton Harbour and events throughout the week, many with live music, making it one of the hottest spots on the island.

This spills over to seasonal restaurant, [Marcus' on the Beach](#) which is located right at the water's edge at the hotel's private Beach Club on Sinky Bay. Here you can enjoy a relaxed and casual menu or frozen cocktail right on the sand.

If you want to enjoy your meals in the summer evening air a little closer to home, [1609](#) offers the ultimate alfresco dining experience. Enjoy Bermuda's favourite cocktails and just-off-the-boat seafood while you take in the spectacular sunsets over Hamilton Harbour in this stylish bar and restaurant.

[Crown & Anchor](#) has reimagined the traditional island lounge as a sleek, contemporary venue for breakfast, lunch, afternoon tea and dinner. This is where great food, captivating entertainment, exceptional rum, and even a signature selection of cigars come together to celebrate the pleasures of island life.

If that wasn't enough, you can order refreshing cocktails, light lunches and locally made ice-cream to be served to you [poolside](#) at our incredible saltwater infinity pool which overlooks the Hamilton Harbour.
