

Photos: Minicar Rentals Launched At Princess

May 2, 2017 | 0 Comments

[Updated with video] The [Hamilton Princess](#) and Current Vehicles launched their Twizy [rental minicars](#) this morning [May 2] with the electric vehicles set to be available to hotel guests.

This new offering follows after the Motor Car [Minicar] Regulations 2017 [came into effect last month](#), which guide the set-up, licensing and operation of minicar liveries.

The new two-seater electric vehicle will be exclusively available to hotel guests, and the fleet of Renault vehicles will be run by Current Vehicles. The unveiling has just concluded and we will have additional details and a video later.
