OUR SOCIAL RESPONSIBILITY JOURNEY

We're proud members of Planet 21, an industry-leading corporate social responsibility program that promotes environmental sustainability. Here's just a few of our ongoing initiatives: eco-friendly amenities such as soaps and shower gels; energy-efficient light bulbs and electronics wherever possible; reduced water usage through the option to decline daily cleaning of sheets and linens on set days (Tuesdays, Thursdays, Saturdays); and kitchens that are working to increase their reliance on local, sustainable suppliers while using more hotel property to grow our own produce, herbs and honey.
